DOBSON COMMUNICATIONS CORPORATION
SECTION 64.2009(E) CERTIFICATION

I, Ronald L. Ripley, a duly authorized officer of Dobson Communications Corporation, hereby certify on behalf of Dobson's carrier subsidiaries¹ (collectively "Dobson"), that I have personal knowledge that Dobson has established operating procedures that are adequate to ensure compliance with the rules of the Federal Communications Commission, codified at 47 C.F.R. Part 64, Subpart U, implementing Section 222 of the Communications Act of 1934, as amended.

**STATEMENT REGARDING OPERATING PROCEDURES
IMPLEMENTING 47 C.F.R. PART 64, SUBPART U
GOVERNING USE OF
CUSTOMER PROPRIETARY NETWORK INFORMATION (CPNI)
EFFECTIVE FEBRUARY 6, 2006**

The following statement explains how the operating procedures of the carrier subsidiaries of Dobson Communications Corporation¹ (collectively "Dobson") ensure that Dobson is in compliance with the Commission's CPNI rules, as codified at 47 C.F.R. Part 64, Subpart U.

Dobson has not engaged in, and has no present plans to engage in, any marketing or cross marketing that would require customer approval, such as opt-in or opt-out approval, under Section 64.2005 of the Commission's rules, 47 C.F.R. § 64.2005. Accordingly, Dobson has no need to develop any procedures, and does not have any such procedures, at this time to ensure that such a marketing program would comply with those portions of 47 C.F.R. Part 64, Subpart U that address marketing or cross marketing. If, in the future, Dobson should determine that it will engage in any marketing or cross marketing not allowed by Section 64.2005 without customer approval, Dobson will develop and implement the appropriate operating procedures to ensure compliance with Subpart U.

Dobson's personnel are trained on the appropriate uses of CPNI, and Dobson has internal procedures in place to protect against the unauthorized disclosure of CPNI to third parties. Finally, all outbound marketing is done pursuant to supervisory review and approval.

¹ Dobson's carrier subsidiaries include American Cellular Corporation, Alton Celltelco Partnership, DCC PCS, Inc., Dobson Cellular Systems, Inc., Oklahoma Independent RSA 5 Partnership, Oklahoma Independent RSA 7 Partnership, and Texas RSA 2 Limited Partnership.
